Rule Change Intent

Welfare and Safety. This change would allow Medical Personnel , Veterinarians, Stewards, Exhibitors, etc. to respond to emergency situations and general stabling situations promptly. Stabling Identification must be placed by management so that it cannot be covered by any decorations.

Example: if any of the above-mentioned personnel gets a call to "Barn F", it is easily identifiable.

## GR1215 Stabling

4. It is recommended that at Level 4 and Level 5 Dressage Competitions, and at competitions with an A rated division provide, upon request of the official competition veterinarian, a suitable area, protected from the elements, secured from public view, adequately lighted, with adequate electrical supply and running water, to serve as a first aid station for the emergency treatment of ill and injured horses.

5. Additional stabling requirements for Dressage Competitions are listed in the Dressage Levels chart posted on the Federation website. BOD 6/28/21 Effective 12/1/21

***6. All permanent barn structures and temporary stabling on competition grounds must have clearly visible identification, such as numbers, letters, or names.***
